How is your garden in Tulip Time?

Is your garden a glory with colorful blooms of tulips, daffodils, hyacinths and crocus which bring joy to your heart? You can be proud of a well planned spring garden filled with hardy Holland bulbs. Now in the blooming season is the best time to plan for additions or rearrangements for an even more beautiful garden next May. Notes you take now will make it easier to select colorful varieties in our 1955 Catalog to be mailed to you this summer.

This 1955 Catalog will list varieties never before offered including one with the fitting name SPRING SONG, a Darwin Hybrid of vivid red color and robust growth. The bloom SPRING SONG is of tremendous size and is borne on a strong stem a bit shorter than most Darwin Tulips. Although quantities of SPRING SONG are limited, we have decided to make an unusual offer to our customers. Three SPRING SONG bulbs will be included free with every \$10.00 worth of bulbs you order from our catalog this year.

Blokker Bulbs also offer for the first time the VAN GOGH ASSORTMENT of top quality bulbs. Made up of famous named varieties it represents a truly outstanding value. The VAN GOGH ASSORTMENT makes an ideal gift for friend or relative.
